RUST-X Water Resistant Lithium Complex Grease is an extreme-pressure, multipurpose grease formulated specially for wet-duty performance. Its water washout and spray-off resistance ideally suit it for use in the wheel bearings snow or ice. The grease is also excellent for use in plants, such as papermills, in which machinery undergoes frequent or prolonged exposure to water.

RUST-X LongLife Grease Multi-Purpose 3 is unlikely to present any significant health or safety hazard when properly used in the recommended applications, and where good standards of industrial and personal hygiene are maintained.

**Properties**
- Water Washout and Sprayoff Protection
- Rust and Corrosion Protection
- High and Low Temperature Performance
- Load Carrying and Extreme Pressure Performance
- Compatibility with most seals
- High Service and Shelf Life

**Application**
- Trailers
- Trucks
- Industries
- Heavy duty bearing applications

**Health & Safety**
RUST-X LongLife Grease Multi-Purpose 3 is unlikely to present any significant health or safety hazard when properly used in the recommended applications, and where good standards of industrial and personal hygiene are maintained.
